

Area of Rectangles Mission

Warm-up and worked example

Name: _____

Date: _____

PAGE 1 | WEEK 8, DAY 3

YOUR MISSION Find the area of rectangles using multiplication.

SMART MOVE Name the attribute being measured before choosing a method.

Math Talk

How does a 4 x 7 array help find the area of a rectangle?

My idea:

New Words

attribute	parallel	perpendicular
My meaning or picture:	My meaning or picture:	My meaning or picture:

Worked Example

Do this example with your teacher. Say what changes and what stays the same.

1. Tile a 4-by-7 rectangle.
2. Count by rows and columns.

What the example shows: _____

Area of Rectangles Mission

Learn it and show your thinking

Name: _____

Date: _____

PAGE 2 | WEEK 8, DAY 3

YOUR MISSION Follow the learning path, then explain the big idea.

SMART MOVE Draw before asking for a rule.

[] **Step 1:** Tile a 4-by-7 rectangle.

[] **Step 2:** Count by rows and columns.

[] **Step 3:** Record area as length times width.

[] **Step 4:** Connect rectangle area to arrays.

[] **Step 5:** Use decomposition for larger rectangles.

My model, drawing, or organized work:

The big idea in my own words:

Area of Rectangles Mission

Practice lab

Name: _____

Date: _____

PAGE 3 | WEEK 8, DAY 3

YOUR MISSION Use a model, equation, or explanation for every task.

SMART MOVE Check whether your answer is reasonable.

1. Find areas of several rectangles.

2. Draw rectangles for given dimensions.

3. Find missing side length when area and one side are known.

4. Solve one area word problem.

Choose one answer and prove it another way:

Area of Rectangles Mission

Challenge and final check

Name: _____

Date: _____

PAGE 4 | WEEK 8, DAY 3

YOUR MISSION Try an unfamiliar problem and defend your reasoning.

SMART MOVE A wrong first idea can still lead to a strong solution.

Challenge Mission

Draw all rectangles with whole-number side lengths and area 24. Compare their shapes.

My plan:

My solution and proof:

Final Check

Explain why a rectangle 3 units by 8 units has area 24 square units.

☐ I can teach it

☐ I need practice

☐ I need help
